Organised by North Shore Chess Club
www.northshorechess.org.nz

Format: A 6-round swiss-system event for teams of four players (with optional reserve) from years 7-8 from the same school. Players should be ranked in order of playing strength; the order must be declared before the start of the event and must not change during the event. Furthermore, players in team A should be stronger than those in team B, and so on. Note that teams may be paired against another team from the same school.

Schedule: Teams need to sign in before 9:00am on the day of the tournament. A players' meeting will follow and we should start at about 9:15am. There will be a break for lunch and we aim to finish by 2:30pm. Digital chess clocks will be used; time control 15 minutes plus an increment of 5 seconds per move.

Adult Support: Visiting school teams must have an adult (teacher, parent, or guardian) present to supervise them.

Entries: The entry fee of \$35 per team should accompany the entry form. All entries will be acknowledged and listed on the Interschools page on the North Shore Chess Club's website www.northshorechess.org.nz where you can find further information and a link to the Rules.

Prizes: The first three teams will receive gold, silver, and bronze medals, which will be engraved and sent to schools after the event, for presentation at Assembly.

Qualifiers: If 20 or more teams compete, a second school will qualify; if 30 or more teams compete, a third school will qualify. Qualifiers will be determined by tiebreak if necessary.
