

2nd NZ Fischer-Random Championship

20th October 2024

Takapuna War Memorial Hall, 7 The Strand, Takapuna

Tournament Format

There will be two six-round Swisses. The A-grade is restricted to players familiar with Fischer-Random (Freestyle Chess or Chess 960) rules; the B-grade is open to less experienced players (the Organisers reserve the right to move a player to an appropriate section, or to refuse entries). We are using FIDE rapid ratings for seeding, and will apply FIDE rapid chess rules (eg 2nd illegal move loses the game).

The time control is 25 minutes for the game with 5 seconds increment per move from move one. Positions will be drawn at random and displayed. Players will be expected to set up the boards themselves, and there will be 5 minutes between the start of the round and the start of the clocks, for players to study the position (without moving any pieces).
